

THE MUD MANIFESTO

A pledge to joyful chaos, dirty knees, and wild connection

We, the undersigned explorers, parents, seekers, and secret swamp witches, do solemnly swear:

- ★ To value **CURIOSITY OVER-CLEANLINESS**
- ★ To choose **CONNECTION OVER CONTROL**
- ★ To say **YES** to puddles, potions, pinecones, and perfectly ridiculous ideas
- ★ To remember that a muddy child is a happy child (and so is a muddy grown up)
- ★ To treat grass stains as badges of honor
- ★ To follow the spark, even if it leads through brambles
- ★ To see the wonder in worms, weather, and what-just-happened
- ★ To pause for frogs. Always.
- ★ To laugh when things go sideways—
AND LET THEM STAY SIDeways FOR A WHILE
- ★ To make room for mystery, mess, and moments that **DON'T** look like the Pinterest version
- ★ To be wild, weird, warm, and **HERE**

THIS IS OUR VOW:

Signed with sticky fingers
